

Polymer Engineering & Science International 2019

We are pleased to announce that

Evaluation of higher-order structure and mechanical properties of cellulose nanofibers/epoxy composites

T. Ueda, A. Ishigami, T. Kurose and H. Ito

are awarded the Best Poster Prize.

At the Polymer Engineering and Science International Conference 2019 (PESI-2019)
4-7 September 2019 Yonezawa, Yamagata, Japan
